

In June 2023, Warren Sharp and team handed us the reins to revitalize their social media and orchestrate impactful live streams on major platforms. Aiming for a 20% boost in views and impressions, we collaborated closely to map out a 6-month strategy.

Fast forward just 5 months, and the results have surpassed expectations—experiencing exponential growth. This sets the stage for a promising trajectory into 2024, showcasing the immediate impact of our collaborative efforts with Sharp Football Analysis.

Social Media and Live Streaming

Assuming control in July 2023, we uncovered untapped potential and swiftly embarked on a transformative journey. By harmonizing state-of-the-art SEO strategies with engaging content, we not only achieved impressive month-over-month expansion within five months but also positioned Sharp Football Analysis to kickstart video monetization.
